

WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICES

Annual Notice

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema?

Call Employee Benefits Systems at 1-800-373-1327 for more information.
