

## **WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICES**

### ***Annual Notice***

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema?

Call UMR at 1-800-207-3172 for more information.
